

Keystone Ntrak Model Railroad Club Membership Application

We are an N-scale model railroad club more than 20 years old currently located near Lansdale, PA. The primary purpose of the club is to advance the hobby of model railroading through public displays of NTrak modules at area events.

Club Membership is divided into three classes; Regular, Student and Associate Members. Regular Memberships are available to anyone 18 or older. Student Membership is available to anyone between the ages of 18 to 25 and still in school or college full time. Associate memberships are for spouses and those under 18 years of age and who are in the immediate family of a Regular Member. In some cases Associate Members can be those who are not immediate family members but are sponsored by a Regular Member. Both Regular and Student Membership classes require a three to 6 month Probationary Membership for which the initiation fee is \$50.00 for Regular and \$25.00 for Student. During your probationary period you will participate in club activities and meetings to make sure the club is a good fit. The annual dues are \$50.00 for Regular Membership and \$25.00 for Student Membership. To start the process of active membership, complete the application portion of this document, checking the line for Regular, Student or Associate Membership; bring it along with your check to a Tuesday evening club meeting.

All applicants will be presented to the general membership for a membership vote at the end of the probationary period. Upon acceptance and payment of dues you can exercise all the privileges of your membership; run for office, vote on issues, and operate the layout. Dues are prorated based on the fiscal year of January 1st and run to the following December 31st. To maintain membership, member's dues must be paid in full prior to the March Business Meeting. Membership cards are issued annually upon payment-in-full of dues for Regular and Student Members. Student Members, upon completing school, must convert to Regular Membership. Children below 18 years are welcome to participate in all activities with a sponsoring member.
